2017 SWDA Summer Intensive

NYC Housing Options

Shen Wei Dance Arts does not provide housing for our summer intensive. We are providing the following list to aid you in your search for housing in NYC. Students are responsible for making their own housing arrangements.

We are listing three sources for housing. The first list includes hostels, budget hotels or dormitory style accommodations. The second list offers residences for women only. The third list includes a number of web-sites where individual New Yorkers are offering sublets, or have rooms to rent short term. Shen Wei Dance Arts takes no responsibility for any arrangements made or promised.

Please make your reservations early as these spaces tend to be booked quickly.
